## Floc 'N Vac

A Clear Liquid for  
Floccing Pool Water

KEEP OUT OF REACH OF CHILDREN  
**CAUTION**

See First Aid and Additional Precautionary  
Statements on Back Panel.

Net Contents 1 Quart

A CONCENTRATED LIQUID THAT HELPS SETTLE OUT SUSPENDED PARTICULATES THAT CAUSES CLOUDINESS AND DISCOLORATION OF POOL WATER.

Wait at least 10 days after use of stain and scale controls products before using this product.

#### DIRECTIONS FOR USE:

1. For excessively cloudy or discolored pool water use at the rate of approximately 1 qt./25,000 gallons.
2. Pour product evenly over the entire pool surface.
3. After 1 hour, shut pump off.
4. The next day vacuum pool to waste.
5. Restart filter.
6. For best results use product on a weekly basis to help keep pool sparkling clear. Use at the rate of 8 oz./25,000 gals. weekly.

On rare occasions the material may rise to the surface of the water. If this should occur, push the accumulation towards a skimmer or with the filter off use a garden hose with a strong stream of water to mix and allow to settle.

#### PRECAUTIONARY STATEMENTS

CAUTION: May be irritating to the eyes. Do not take internally.

#### FIRST AID

##### If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.
- If irritation persists, call a poison control center or doctor for treatment advice.

##### If on Skin or Clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- If irritation persists, call a poison control center or doctor for treatment advice.

##### If Swallowed:

- Call poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a physician, poison control center or going for treatment.

#### STORAGE AND DISPOSAL

Storage: Keep this product in original, tightly closed container when not in use. Container Disposal: Do not reuse empty container. Rinse empty container with water then place in trash or offer for recycle, if available.
