## Metal Control

Eliminates and Prevents  
Scale and Mineral Deposits

KEEP OUT OF REACH OF CHILDREN  
**CAUTION**

See First Aid and Additional Precautionary  
Statements on Back Panel.

Net Contents 1 Quart

Metal Control is a fast working sequesterant agent that helps prevent and eliminate scale and mineral deposits. This product softens hard water and helps prevent mineral staining.

### DIRECTIONS FOR USE

Initially treat swimming pool, hot tub or spa with 16 ounces of Metal Control per 10,000 gallons of water. Carefully pour dosage into the water around the perimeter of the swimming pool, hot tub or spa. Make sure the circulation system is on. If the swimming pool, hot tub or spa has excessive hardness, scale or mineral deposits treat with 32 ounces of Metal Control per 10,000 gallons of water.

### PRECAUTIONARY STATEMENTS

**CAUTION: EYE AND SKIN IRRITANT. CONTAINS VERSENE 100.**

Avoid contact with eyes, skin or clothing. Do not swallow. Wear goggles and rubber gloves when handling. Do not mix with other chemicals.

### FIRST AID:

#### If in Eyes

- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, and continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

#### If on Skin or Clothing

- Take off contaminated clothing.
- Rinse skin with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

#### If Swallowed

- Call poison control center or doctor immediately for treatment advice.
- Do not induce vomiting.
- Give one cup (8 ounces) of water or milk if available.
- Do not give anything by mouth to an unconscious person.

#### If Inhaled

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- If irritation or discomfort persists, seek medical attention.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

### STORAGE AND DISPOSAL

Storage: Keep product in original, tightly closed container when not in use. Keep out of reach of children.

Container Disposal: Do not reuse empty container. Please in trash.
